# Table of contents

1. Announcements
2. A quick recap
3. For today - ROS Practicals

# Announcements

---

# Announcements

- Issues with Assignment 1 - Part II
- Assignment 1 (Part II) - New Deadline is 09/14 (Friday)

## A quick recap

---

- What is a spatial image filter?

- What is a spatial image filter?
- What is smoothing? - Examples?

- What is a spatial image filter?
- What is smoothing? - Examples?
- What is correlation and a sample application of correlation filter?

- What is a spatial image filter?
- What is smoothing? - Examples?
- What is correlation and a sample application of correlation filter?
- How is convolution different than correlation?

For today - ROS Practicals

---

- Service and Parameters
- Tele-operating a real Turtlebot
